The Steven A. Cohen Military Family Clinic at Aspire Health Partners

Therapy and Counseling for Veterans and Military Families
WHO WE TREAT

* VETERANS:
  Post-9/11 veterans who have served in the United States Armed Forces, regardless of role while in uniform, discharge status or combat experience. This includes the National Guard and Reserves.

* MILITARY FAMILIES:
  Family members of active duty service members and parents, siblings, spouses or partners, children, caretakers and other family members as defined by the veteran.

OUR CARE

* We offer high-quality, customized therapy for a variety of mental health issues including anxiety, depression, PTSD, transitional issues and relationship issues.

* Our skilled clinicians and staff are culturally competent and aware of the issues faced by veterans and their families.

* Our care is confidential and private. We will not share your information with any public, private or government entities unless required by law.

* If a veteran or family member is in crisis, we will see them the same day.
