Dear Chief Executive Officer:

We have reviewed the Commission on Accreditation of Rehabilitation Facilities full survey report and confirmed that Aspire Health Partners is in substantial compliance with state licensure requirements of Chapter 59A-3, Florida Administrative Code and Medicare Conditions of Participation requirements of 42 C.F.R. 482.

The Agency for Health Care Administration accepted your accreditation for the period January 31, 2025 to January 31, 2028. An unannounced "deemed status" survey for certification to participate in the Medicare program was also completed. The agency will not conduct an annual licensure inspection or an unannounced Medicare re-certification survey throughout this term of accreditation, providing that the hospital continues to conform to the standards of the accreditation. The Agency will conduct periodic life safety inspections of your hospital. Additionally, your hospital may be subject to an unannounced state validation survey and risk management survey. This report is now a matter of public record.

If you have any further questions, please do not hesitate to contact Anjali Bhanderi in the Hospital and Outpatient Services Unit, by telephone at (850) 412 - 4368 or by email at [Anjali.Bhanderi@ahca.myflorida.com](mailto:Anjali.Bhanderi@ahca.myflorida.com).
